Adnyamathanha People
MC2.3 – Ram Paddock Research

1. View

Watch the Mini Doc: *Walking Our Country - Yarta Mandaawi Widniarlpurla*.

2. Explore Ram Paddock

With your class, discuss how Adnyamathanha people and their culture were affected by their displacement to Ram Paddock, also known as Minerawuta.

Use Mind Map: Ram Paddock and the Adnyamathanha People to capture any key points from the discussion as well as any additional points or new ideas that you can think of. Share these with your class.

3. Reflect

Use the Internet or your local library to help you research answers to the questions on your Ram Paddock Research activity sheet.

Create a presentation to share with your class that contains your key findings about the impact of Ram Paddock on the Adnyamathanha people. Include information you have found during your research. You might like to present your information as a:

- Poster
- PowerPoint presentation
- Timeline showing the changes through time
- A photographic display, if you are able to find enough photos. Alternatively you might like to draw your ideas and include captions with your pictures.
