

UNIT 3: MY STORY

Inquiry 1: Why do we tell stories?

Part 2

Activity Sheets:

MS1.5 – Linking Stories to the Land
MS1.6 – Stories: Personal Opinions

1. View

Watch the Mini Doc: *Telling Stories - Yarta Wandarlpurla*.

2. Explore Storytelling

After watching the Mini Doc, did you learn any new information about how we tell stories or the purpose of storytelling? Can you list examples of stories that you have been told by elders in your family? Share these with your class.

3. Reflect

With your class, read A Story About Stories. Discuss as a group what you have learnt about the storytelling of the Adnyamathanha people.

4. Linking Stories to the Land

On your Linking Stories to the Land activity sheet, write your own description about why you think the Adnyamathanha stories are linked to the land. You might like to re-read A Story About Stories or re-watch the Mini Doc: *Telling Stories - Yarta Wandarlpurla* for more ideas.

Using your description, create a two-minute presentation highlighting your main points. You can use PowerPoint or another digital presentation program to represent your ideas and engage your audience.

5. Stories: Personal Opinions

Complete Stories: Personal Opinions to show what you have learnt about the storytelling of the Adnyamathanha people and of your own culture.
