

## UNIT 3: MY STORY

# Inquiry 3: What does Adnyamathanha Rock Art tell us about the past?

## Part 1

### Activity Sheet:

MS3.1 – Stories from Adnyamathanha Rock Art

### 1. View

Watch the Mini Doc: *Telling Stories - Yarta Wandarlpurla*.

### 2. Stories From Adnyamathanha Rock Art

Read through the Background Information Sheets [A Story about Stories](#) and [Aboriginal Art Expression](#) with your class and complete your activity sheet [Stories from Adnyamathanha Rock Art](#). You might need to watch the Mini Doc again in order to help you answer the questions.

### 3. Research

In your group, find and research a Rock Art story relating to Adnyamathanha culture, or an example from another Aboriginal or Torres Strait Islander culture that has used Rock Art to capture and tell a story. You can use the Internet, a local library or even speak with a member of your community.

Compile your research and create a presentation for sharing with your class. You can use a digital program such as PowerPoint or KeyNote to organise and display all of the information.

You will need to include the following information when presenting your Rock Art story to the class:

- An illustration or picture of the Rock Art.
- Who has produced the Rock Art?
- What does the Rock Art represent? Retell the story or the message to the whole class.
- Where is the Rock Art found? Be specific with the location. You might even like to include a map of the local area.
- When was the Rock Art created?
- An explanation of how the message or the story of the Rock Art is still relevant today.
